

Experience in Family Law

General:

- Contentious and non-contentious family law advice in the Middle East
- Settlement agreements and prenuptial agreements.
- Muslim and Non-Muslim cases.
- Divorce cases, children custody, maintenance and jurisdiction.
- Ratify foreign judgments before the local courts.
- Advice on conflict of laws and jurisdictions.

Specific:

- Represented a CEO of one of the biggest Japanese tech companies in UAE in a divorce case with his Muslim wife whose marriage agreement was done in accordance with the Sharia Laws outside UAE but was not registered officially. The matters I advised on were related to marriage, jurisdiction, private law, nationality, son and maintenance and the wife compensation.
- Represented many foreign expats living in UAE who had divorce cases started in their country of origin and the consequences of children custody, maintenance and compensation were done in accordance of UAE laws.
- Advice on a Singaporean marriage with an unregistered child as per the UAE laws.
- Represented a Ukrainian client in a divorce case that started in Ukraine and expanded to UAE since many of the family assets were in Dubai like bank accounts and property.
- Representing UK clients whose divorce was done in UK and the matters related to children, division of money and assets were done in UAE.
