SPONSORSHIP & EXHIBIT OPPORTUNITIES

Our conference thrives because of the strength of our partnerships. Sponsorship support enables us to deliver high-caliber programming, distinguished speakers, and meaningful networking opportunities that elevate the practice of family.

By aligning your organization with our event, you position your brand directly in front of a concentrated audience of experienced family law and matrimonial attorneys—decision-makers who actively seek trusted professional resources.

This is more than visibility; it is an opportunity to build relationships, demonstrate expertise, and reinforce your commitment to the matrimonial law community. From curated networking events to targeted brand placement, sponsors receive strategic exposure throughout the conference experience.

We invite you to join us as a valued partner in shaping a dynamic, forward-thinking gathering for leaders in family law.
